Excellent and fast communication. True to word of shipping following day and wasn't expected to arrive until Jan 3 but my daughter really wanted to use for New Year's Eve. Luckily it arrived couple days sooner. Item as described Excellent Condition! Would buy again. The only thing I wish seller would have been willing to negotiate a little more. As I found a top mint camera with more accessories and he would have gave me the price of \$325, originally \$400 free shipping. But I already purchased.
